## Beats By Dre Detox Serial Number

I have a problem. I paid for a item with a fake serial number. I got in another item with the same serial number. If I sell it on ebay and they check the serial number of the new item it will match the one I had. dr. dre beats detox headphones boses I need to buy a new pair of Dr. dre beats Solo High. I have a problem with the serial number on the right earpad. It is on the left ear pad that is all scratched up. I have no idea what the serial number is? What is the valid serial number for the Solo 30. I have been waiting for so long but the guy who has them won't give me a sales order because there is no serial #. I have the beats headphones and have a problem with the serial number.. i have been looking for them but cant seem to find a serial number? I want to buy the beats pro over ear headphones. I have only seen a serial number on the first side of the headphones. I want to get the correct serial number so that I can get a value for it. Serial number of the headphones and the box the came in. Help? I have a Beats Solo Pro. I went to the Apple store. I was told the serial number was on a sticker on the inside of the box. But the sticker was never there.. I want to sell on eBay. where is the serial number on the headphones. Can someone tell me? I have a pair of the pro headphones. I looked at the back and there was a very small serial number on the cardboard box. Can I find out what the serial number on my headphones is? I have a Beats headphones and had the box and headphones taken from me and the serial number is no longer on them.. i got dr. dre beats solo high headphones with the actual box in brand new condition the last 3 boxes that i've bought in the same condition with a cracked box & serial.. I have a problem. I paid for a item with a fake serial number. I got in another item with the same serial number. If I sell it on ebay and they check the serial number of the new item it will match the one I had. Beats By Dre Pro - 1000-S, Black, Unboxed, Loyalty. which will have a serial number matching the packaging. Sometimes eBay sellers will serial number a used item and will 04aeff104c
